Rosa Ethiopia

We are proud to present you our new farm in Ethiopia. The perfect combination of altitude and climate makes Holeta an ideal place to grow high quality, long lasting, beautiful flowers.

A select group of very qualified Ecuadorian flower technicians, together with our valued local workers, have created a perfect team committed to providing customers with the highest quality products and service.

To fill all of your floral needs, we are growing a stunning array of Tea Roses, Spray Roses and a variety of summer flowers for you to choose from.
